Mr. F. J. Jutrash, 9 ALL, Chairman,

Milwaukee, Wis.

Dear OM:

I am in receipt of your letter of March 29th, also your radiogram #261 of April 2nd all pertaining to Central Division Convention.

Your formal application to hold an A.R.R.L. Convention in Milwaukee on May 25, 26 and 27 was presented to the Executive Committee at its meeting on the fourth instant and I am pleased to say that it received unanimous approval and authority for two men to attend was also given, which is what a divisional convention rates. I took the liberty to call this the first big Central Division Convention instead of a sectional affair as you expressed in your application as your program as submitted certainly deserves to be carried out as a Divisional program, and moreover your club, due to its long existence and loyalty to A.R.R.L. principles, deserves the honor of putting on the FIRST Central Division Convention. As a division affair I am able to do more for you so I suggest that your publicity and programs show thereon "FIRST CENTRAL DIVISION CONVENTION" under the auspices of the Milwaukee Radio Amateurs' Club, Inc.

I am sending you a copy of the announcement I have turned to the Managing Editor for publication in the May QST. Hope it is satisfactory. If our finances and prospect for better business during year looked more favorable we probably would have tried to send three men but it is not possible at present. In view of these conditions Mr. Handy will represent the Communications Department and I am going to do everything possible to prevail upon Secretary Warner to attend and represent the Executive end; he is extremely busy and I cannot promise anything yet - if he cannot go, of course, I shall be present.

Now as to the list of members which you desire it has been necessary to pass a rule that no such list can be given, but I am arranging with our Circulation Department to address for you from our stencils stamped envelopes of all the members in the states you mention in your letter. The only charge to

Mr. F.J.Jutrash #2 April 6th, 1928

your club will be the actual cost of the stamped envelopes which can be paid for after the convention is over.

If you have another publicity letter after you send out the first blast I suggest that you make use of the latest Citizens Call book and in this manner you will not only cover the League members but other amateurs who have not joined. Due to the great turn over every year in licenses we find quite a percentage who are not members.

I believe I have covered every point mentioned in your letter, but should there be anything else Headquarters can do for you just call on us.

Cordially yours,

W. Albert
Treasurer-Fieldman.
